My idea

A large white rounded rectangle with rounded corners, intended for writing an idea. It is positioned centrally on a dark teal background.

My idea

A large, empty white rounded rectangle with rounded corners, intended for writing an idea. The rectangle is centered on the page and occupies most of the visual space below the title.

My idea

A large, empty white rounded rectangle with rounded corners, centered on a teal background. This area is intended for the user to write their idea.

Let's create together.
